## Challenge Duration

Trips logged between 12:00 a.m. (CDT) on the first day of the Challenge (September 1) and 11:59 pm (CDT) on the last day of the Challenge (September 30) will be counted toward your trip total and chance to win prizes.

The online CommuteWISE Connect Platform will be the official time-keeping device.

## How to Enter

To enter the Challenge, you first must register online at [connect.commutewise.org](https://connect.commutewise.org). Once you have registered an account, you may begin logging trips.

## Winner Selection

All winners will be chosen by random drawing from among all eligible entries received.

Odds of winning are based on the number of participants.

Winners will be notified by no later than October 11, 2024, via the email address associated with their account. In some cases, additional information may be required (i.e., mailing address) to receive the prize. This information will be requested via the email associated with the account. If no response is received, another winner will be chosen within five business days.

All prizes are non-transferable, and no substitution may be made. The winner is responsible for all taxes and fees associated with prize receipt and/or use.

## General Rules

1. Winning is contingent upon compliance with these Official Rules, including rules regarding eligibility for participation.
2. Sponsor reserves the right to cancel, terminate, modify, or suspend the Challenge if necessary for any reason, including but not limited to non-compliance with these Official Rules, fraud or technical reasons including computer viruses, bugs, tampering, or any other technical failures. Sponsor assumes no liability for lost, late, illegible, incomplete, or misdirected entries or for any problem with internet connection or technical problems that might hinder the ability of any person to enter the Challenge. Sponsor is not liable for typographical errors in these Official Rules or other promotional materials relating to the Challenge.
3. In the event of a dispute, the holder of the established email account associated with the account registered with connect.commutewise.org shall be deemed the entrant. If no established email account is present, the holder of the established phone number shall be deemed the entrant. If the potential winner cannot be contacted, does not respond within three (3) calendar days or a notification is returned as undeliverable, such potential winner forfeits all rights to any prize, and an alternate winner may be selected.
4. Sponsor does not provide any warranty with respect to the prize. If a prize becomes unavailable for any reason, Sponsor may substitute a prize of equal or greater value. Winners are solely responsible for reporting and payment of any taxes on prizes.
5. Prizes may be delivered by mail. Sponsor is not responsible for prizes that are lost, damaged, or stolen during or after delivery.
6. By accepting a prize, you consent to Sponsor's and its agents' use and publication of your first name, initial of your last name, and hometown. Such information may be used for editorial, public relations, promotional, or advertising purposes.
7. An entrant is not a winner of any prize, even if the sponsor's website should so indicate, unless and until entrant's eligibility and compliance with the official rules have been verified and entrant has been notified that verification is complete. Sponsor will not accept screenshots or other evidence of winning in lieu of its validation process. Any entry that occurs after Sponsor's computer system has been compromised or failed for any reason is deemed a defective entry, is void and will not be honored.
8. By entering the Challenge, you release and hold harmless Sponsor and the prize providers from and against any claim or cause of action, including, but not limited to, personal injury, death, or damage to or loss of property or technology, arising out of participation in the Challenge, including the receipt, use, or misuse of any prize.
9. The Released Parties are not responsible for: (1) any incorrect or inaccurate information, whether caused by entrants, printing errors, or errors in equipment or programming used in association with the execution of the Challenge; (2) technical failures of any kind, including but not limited to malfunctions, interruptions, or disconnections in phone lines or network hardware or software; (3) unauthorized human intervention in any part of the entry process or the Challenge; or (4) technical or human error which may occur in the administration of the Challenge or the processing of entries. If for any reason an entrant's entry is confirmed to have been erroneously deleted, lost, or otherwise destroyed or corrupted, entrant's sole remedy is another entry in the Challenge. If it is not possible to award another entry due to discontinuance of the Challenge, or any part of it, for any reason, Sponsor, at its discretion, may elect to hold a random drawing from among all eligible entries received up to the date of discontinuance for any or all of the prizes offered herein. No more than the stated number of prizes will be awarded. In the event that production, technical, seeding, programming or any other reasons cause more than the stated number of prizes as set forth in these Official Rules to be available and/or claimed, Sponsor reserves the right to award only the stated number of prizes by a random drawing among all legitimate, unawarded, eligible prize claims.
10. Sponsor does not sell or rent personally identifiable information. The information you provide will only be used to contact you if you are a potential winner. Entrants should be aware that Sponsor is a public agency, and personal information provided to Sponsor may be disclosed in accordance with public records laws.
